Mason Miller

Attention Eucharistic Ministers,

Before distributing Communion, please go through the church doors and then into the Sacristy and sanitize/wash your hands before going to the altar.

From the Archdiocese of Saint Paul and Minneapolis website –

Ministers of Holy Communion should wash their hands with soap and water or sanitize their hands with an alcohol-based sanitizer prior to distributing Communion. The use of hand sanitizers, even during Mass, is acceptable for all ministers of Holy Communion, including priests and deacons.
